## EDUCATION

**Codeup** March-July 2017  
A San Antonio-based, full-stack career accelerator that provides students with 536+ hours of expert training in software development.

**Oklahoma Wesleyan University** 2005-2009  
BS in Communication Arts  
Minor: Management & Leadership  
GPA: 3.1 on 4.0 scale

## PROJECTS

**Simple Simon Game**  
Memory game built using JavaScript, jQuery, HTML and CSS. This game consists of four squares that randomly blink and continue to add one sequence at the end of each round.

**Weather Application**  
Interactive weather map that displays a three day forecast using AJAX requests sent to GoogleMaps and openweathermap.org APIs. User can drag and drop pin on map to retrieve forecast for desired location.

## EXPERIENCE

**Intelligence Analyst** - 2013-2016  
U.S. Army, Fort Carson, CO

- Cleared for Top Secret information and eligible for Sensitive Compartmented Information based on Single Scope Background Investigation completed in May 2013.
- Served as All Source Intelligence Analyst and Battalion Personnel Security Manager of 450+ soldiers in Army Combat Aviation Brigade.
- Managed battalion security clearances, OPSEC, and intelligence oversight while stewarding security awareness.
- Crafted intelligence reports to drive decision-making for battalion command team.

**Senior Marketing Coordinator** - 2012-2013  
Energy One, Austin, TX

- Strategically selected eligible homes for energy-efficient replacement windows for trademarked program "Flipside Marketing."
- Educated homeowners on Energy One and program requirements and secured appointments with qualified prospects for further explanation and demonstration of product.
- Promoted to senior marketing coordinator position, which involved training and leading marketing coordinators.

**Store Manager** - 2009-2011

EZMoney Loan Services, Round Rock, TX

- Promoted to lead and revive struggling store after two months of employment.
- Lead 31% growth in profit over previous year in the first 10 months of position.
- Lead 47% growth in profit over previous year during second year in position.
- Streamlined operations, tracked and exceeded financial goals, managed growth and default.
- Other duties: underwriting, collections, cash management, audits, store marketing, staff training, compliance with policies and procedures.
